In letter no 405 dated the 10th November 1898, the I. General of Prisons suggested that persons sentenced to more than one month's imprisonment in the Chitaldroog Dt might be detained in that Dt only instead of their being transferred to the Central Jail at Bangalore as usual, till the public health improves in the latter place & recommended that similar orders might also be issued to the Dy. Commrs of other Districts.

The first proposal was sanctioned and with regard to the second, he was asked to consult & submit a report as to whether arrangements can be made for proper accommodation in the various Dt Jails concerned.

The deputy Commrs' opinions received are now submitted and they are as follow:—

No 620/9 8/18-2-99 from
the I. Gl of Prisons

Deputy Commr of Kadur states that proper accommodation can be ~~passed~~ had, but he adds that extra guarding staff is necessary.

Dy. Commr. of Kassan states that if some slight repairs are executed to the old Gundal Katee, the prisoners reserved to may be comfortably accommodated, but adds that the present guarding staff is inadequate

Dy Commr of Chitaldroog states that accommodation is available.

Dy Commrs of Tumkur & Kolar state that accommodation is not available. The former however adds that Tumkur is declared to be an affected [illegible] that he would not recommend any change in present rule.

Detention of prisoners & the additional guarding staff viz: 1 duffadar & 6 constables, have been allowed to the lock-up at Chickmagalur.

The Inspector General of prisons viewing the above, ~~recommends~~ suggests to issue orders to detain the prisoners in question in those Dts where proper accommodation is available & declared to be uninfected area and to transfer from those Dts where no proper accommodation is available and declared to have been an infected area. He also states that in both the case ~~of~~ referred to, all prisoners should be subject to inoculation.

From the above it will be seen that in the case of prisoners sentenced to imprisonment more than one month in the Dts of Tumkur & Kolar accommodation will have to be made.

On a representation made by the Deputy Commissioner, Kadur District, Government in their Proceedings No. 6104-6 / 6634 dated 15th November 1898, sanctioned the detention of prisoners sentenced to more than a months' imprisonment in the District Lock-up at Chickmaglur instead of their being transfered to the Central gail, Bangalore on account of prevalence of plague in the latter place and further ordered that an additional establishment for the guarding of the extra prisoners may be entertained in anticipation of their approval. Similarly on the recommendation
of the Inspector General of Prisons,
Government in Proceedings No: 6,807 / J 717 Serial No: 5
dated 30th November 1897 ordered the
detention of long term prisoners in
the District Lock-up at Chitaldroog
and asked the Inspector General to
submit a report in consultation with
the Deputy Commissioners as to
the advisibility of extending the
above order to the other District
Lock-ups. On the submission of
the report called for, it was
ordered in Govt Proc No 10559-64 / J 1295 Serial No. 10
dated 11th March 1899 that the
abatement of plague in Bangalore
rendered it unnecessary to extend
the order of 30th November 1898 to
the District Lock-ups of Kolar,

Tumkur and Kadur and that
as the necessity exists only in the
case of the Hassan District
owing to the prevalence of plague
in the Mysore City, the long
term prisoners be detained there
(Hassan) until further orders.
The Inspector General was also
requested to report whether the
said order of the 30th November 1898
may not be withdrawn and
the old arrangement reverted to.
The Inspector General having
agreed, the order under which
long term prisoners were detained
at Chitaldroog was withdrawn
and the prisoners were ordered to
be transferred to the Central
Jail, Bangalore, as usual.

(Vide Govt Proc. No. $\frac{10821}{1326}$ dated
14th March 1899).

Serial No. 13

Now in his letter No. 164 dated the 19th Instt, the Inspector General of Prisons recommends the grant of an allowance of Rs 25 each per mensem to the district Lock-up officers of Chitaldroog and Kadur and an allowance of Rs 4 & 2 each per mensem to the peons & Duffedars respectively for the extra work done by them during the period of detention of long term prisoners in the said 2 Lock-ups. The Deputy Comr, Chitaldroog recommends the change of designation of the Chital-droog District Lock-up into "District Jail" & the officer in charge of the Lock-up into "Supdt or officer in charge of the District Jail", which the Inspr General considers to be unnecessary.

But no additional work was shown on the Kadur records & no additional Establishment was sanctioned

No 52

Sir,

I have the honor to bring to your notice and such action as you may deem proper in the matter of transferring prisoners at present from this Lockup to the Central jail, Bangalore.

Section 605 and 607 of the jail manual prohibits the transfer of prisoners from or to the jail or District where an epidemic disease has prevailed. Section 606 allows such transfer only after at least 21 days have passed since the entire cessation of such disease.

607 cannot apply. Nor can 606 apply since no infectious disease is reported to exist in the Chikmagalur District

606-cannot apply since the Bangalore Central Jail in which two of the Prisoners have been a few cases of Plague occurred recently

The strength of the District Lockup today is as follows:—

Convicts over a month to imprisonment	8
do within a month	5
do Committed to Sessions for heinous crimes	7
Under-trial prisoners	5
Total	25

The additional Escort asked for may kindly be sanctioned & the 25 prisoners ordered for the opening of the Magistrates' Court to Chikmagalur the Cost if any shall be borne by the Prisoners.

This number will be further increased by 15 Prisoners who have been sentenced & ordered to be transferred to the Bangalore Central Jail.

after the Dasara holidays and I am afraid that the present guarding staff is quite insufficient and the Duffedar whose work is already heavy requires to be assisted by another petty officer as kindly remarked by you in your minute in the Visitors Book on 2nd August 1898.

In case you consider that all the prisoners are to be detained in this Lockup, then I would request the services of a Police Duffedar and 4 Constables.

Sir,

With reference to your Memo No: 461-65/J. dated 3d instant forwarding copy of the Proceedings of the Government of Mysore No: 6807/J.717 dated 30th November 1898 and calling for an early report as to whether arrangements can be made for the proper accommodation, in the District Lock-up at Tumkur, of prisoners sentenced to more than one month's imprisonment, I have the honor to state that the accommodation in the District Lock-up at Tumkur is very limited and is not sufficient to accommodate the class of prisoners referred to. Moreover the town of Tumkur being declared to to be an infected area, there is no advantage to be gained by keeping such prisoners here. Under these circumstances, I would not advocate

any

any change in the present rule which requires that all such prisoners shall be sent to the Bangalore Central Jail.

ORDER THEREON.—Government are of opinion that with the abatement of plague in the Bangalore City the extension of the Order of 30th November last, No. 6807—J. 717 to the District lock-ups of Kolar, Tumkur and Kadur seems unnecessary. The necessity exists only in the case of the Hassan district owing to the prevalence of plague in the Mysore City; and Government are pleased to order that prisoners sentenced to more than one month's imprisonment may, until further orders, be detained at Hassan, where the old Sandal Koti is reported to be available for the purpose. The Inspector General of Prisons is requested to give early effect to this arrangement, in communication with the Deputy Commissioner of the district. Sir,

I have the honor to submit for favorable consideration of Government a file of correspondence received from the Deputy Commissioners of Chitaldroog and Kadur Districts

Under Proceedings of Government No. 6807/J717 dated 30th November 1898, the prisoners sentenced to more than a months' imprisonment were ordered to be detained in the District Lockup at Chitaldroog owing to the prevalence of plague in Bangalore, and this arrangement caused additional work and

responsibility on the District Lockup Officer during their detention —, and the allowance of Rs: 25/- a month proposed by the Deputy Commissioner to be given to the District Lockup Officer for that period, is not in my opinion too large, and I would therefore recommend that the same may be sanctioned.

I beg to recommend also that a similar allowance of Rs: 25/- a month be given to the District Lockup Officer at Chickmagalur for the same reason and an allowance of Re. 1 and Rs: 2 per month to each of the Duffadars and peons attached to these Lockups respectively, may be granted.

Order thereon No. 5061-62/529 dated 10-10-1900 (cancelled)

In consequence of the temporary detention of prisoners sentenced to more than one month's imprisonment in the Chitaldrug District Lockup

Lock-up owing to the prevalence of plague in Bangalore there was a considerable increase in the number of prisoners in the said Lock-up entailing much additional care, labour and supervision on the part of the Medical Officer in charge of the Lock-up and other subordinate Officials. The allowances recommended in favor of the Chitaldrug Lock up for the period in question is therefore sanctioned as a special case.

Rs. 25/- per mensem to the Dt. Lock-up Officer Rs. 4 & Rs. 2 per mensem to each of the Assistant Peons respectively attached to the Dt. Lock-up during which the arrangement was in force

The case of the Dt. Lock-up at Chitaldrug is different as an additional establishment was sanctioned for it and the increase of work was not much as the increase in the number of prisoners owing to plague was very slight.

The Chitaldrug Medical

Medical Officer was wrong in unauthorizedly assuming the designation of Dt Jail Officer in some of the letters addressed by him.
